

Birthday Club

2017-2018

Dear Parent or Guardian,

As we begin a new year, I would like to invite you to enroll your student(s) in the Birthday Club for 2017-2018.

The [Birthday Club Webpage](#) has been updated and is ready to go. Please go to the webpage (also linked at the bottom of the RCS Library Resources page) and **place your order as soon as possible**. We need to have all books in by the Christmas Holiday so they are available to our students this year. I will begin sending out reminders afterwards to those who have not done so. **Please do not enroll your student if you do not intend to purchase a book.**

When you order a book, you will be able to select a book plate and write a personal message to honor the occasion. On his or her birthday, your student will receive a birthday card and treats to celebrate the day. In addition, all Birthday Club members get to be first to check out their birthday books when they arrive.

Families with more than one student may purchase a “family” book and indicate on the book plate the students’ names, as well as their age and/or grade (e.g., “In honor of Jack’s 6th and Jill’s 8th birthday”; “Happy Birthday Ricky, 3rd Grade, and Lucy, 4th Grade”). Then, we will celebrate each birthday in turn. Birthday club enrollment is open to students from Pre-K through Grade 5.

Families wishing to make larger donations in support of the library are more than welcome to do so. Our needs are always greater than our resources. I have created a second Birthday Club page for sets of books we need. Please see me if you are able to go that extra mile.

Thank you for supporting your student(s) and the entire Roanoke Catholic community.

Birthday Club Enrollment Form

Student's/Students' Name(s): _____

Birthday(s): _____

Homeroom Teacher(s): _____

Favorite cartoon, movie, or other theme preferred on card: _____

Please Note: Students who celebrate birthdays on weekends or days off during the school year will receive their birthday wishes on the last school day prior to their birthdays. Those students whose birthdays fall during the Christmas or Easter holidays will receive them before we leave for the break. Students with Summer 2018 birthdays: June birthdays will be celebrated before we leave for break, July and August birthdays by mail.
