

**CATHOLIC  
SCHOOLS**  
DIOCESE OF RICHMOND

**MEDICAL MASK ACCOMMODATION AUTHORIZATION FORM**

Students are required to wear a cloth face covering when indoors at school and on a school bus. Face coverings may be momentarily relaxed only when eating or drinking, napping, or when outside. Occasional short mask breaks can be given throughout the day when students are at a 6ft. distance. Should a student not be able to wear a face mask, the school will develop health accommodations to decrease COVID-19 transmission and exposure risks to the student and others on the bus and in the school building. Our accommodation would be to have the student wear a face shield.

**Form to be filled out by student's medical health care provider and provided by the parent/guardian to the School Nurse or Principal. This form will be kept on file in your child's confidential medical records.**
