GPA and COURSE INFORMATION

Unweighted GPA is determined by using a 100/4.33 scale. Honors classes use a weighted 100/4.5 scale and AP/DE classes use a weighted 100/5.33 scale

For the 2021-2022 academic year, Advanced Placement (AP) courses are offered in Biology, Calculus, Chemistry, English Composition, English Literature, Physics, and American Government. Dual Enrollment (DE) courses are offered in subjects such as Accounting, Entrepreneurship, Marketing, Business Management, Government, Education, and Spanish II, III, IV, and V. For 2021-2022, Spanish V and French V are the highest level of foreign languages offered. National Parks Experience fulfills the requirements of a lab science semester course.

RESPONSE TO COVID

On March 13, 2020, the Governor of Virginia closed public and private schools to in-person instruction due to the COVID pandemic. On Tuesday, March 17, 2020, students at Roanoke Catholic School moved to a fully virtual setting. Daily class sessions with instruction, interaction, and assessment happened through Zoom and Google Meet. Even though the final quarter of the school year was non-traditional, students earned grades as presented on their transcripts. For the 2020-2021 and 2021-2022 school years, students returned to in-person instruction five days a week for the entire school year.

SENIOR PROJECT

Satisfactory completion of the senior research project is a requirement for graduation. This project combines the formal research paper, digital presentation, and senior speech. The paper must be 10-12 typed pages with a minimum of ten sources, according to MLA guidelines; the 3-5 minute speech is presented to the school community.

SERVICE

Roanoke Catholic believes that service to school and community is an integral part of a Christian education; all students are involved in service projects. Each student in the Upper School is required to annually contribute a minimum of 40 hours of service. This requirement was waived during the 2019-2020, 2020-2021, and 2021-2022 school years due to the ongoing pandemic.
